Los Lunas, NM

Jobs Created:
400+ Operational
1,200+ Construction

Facility Size:
4.2 Million sq ft
750 acre campus

Industry:
Technology

Highlight:
\$4.1M in Valencia County

“We’re proud to call Valencia County home. We selected Los Lunas because of its excellent access to infrastructure, strong pool of talent for both construction and operations staff, access to new renewable energy resources, and a great set of community partners,” said David Williams, Meta’s Community Development Manager. “We’re committed to playing a positive role in this community for investing in the long-term vitality of Valencia County for years to come.”

Opportunities

Industrial Area (2,200 acres)

Los Morros Business Park

- Los Morros is an ideal location for companies looking for connectivity and logistical advantages.

Huning Business & Tech Park

- At its center, this park is home to a Meta Data Center and Amazon Distribution Center.

Central New Mexico Rail Park

- This is a BNSF certified site, is shovel ready, and available for advanced manufacturing opportunities.
